ITEM 11, WAGE RATES, SPECIAL PAY INFORMATION AND DEDUCTIONS

The Adverse Effect Wage Rate (AEWR) of \$9.02, the prevailing hourly wage rate or prevailing piece rate, the federal minimum wage rate or the Virginia minimum wage rate, whichever is greatest, will be the minimum rate of pay. Employer assumes that if a change in the AEWR requires an increase in the guaranteed minimum, such increase will be paid as of the effective date of the increase. If the worker's piece rate earnings for a pay period result in average hourly earnings of less than the guaranteed minimum, the worker will be provided make-up pay to the guaranteed minimum rate.

The employer will pay the prevailing piece rate in a crop activity for which a piece rate is specified if the DOL determines that a higher piece is prevailing in the crop activity in the area of intended employment than the piece rate specified herein. The employer will apply the prevailing hourly rate in a crop activity for which an hourly rate is specified if DOL determines that a higher hourly rate is prevailing in the crop activity in the area of intended employment other than the hourly rate specified herein. In the event DOL promulgates a new AEWR during the recruitment or work contract period which is higher or lower than the AEWR herein, the higher AEWR or, at the discretion of the employer, the lower AEWR will become the guarantee.

In the event the AEWR is eliminated from the H-2A program during the life of this work agreement, either administratively or legislatively, the employer reserves the right to pay the new wage rate under the new guidelines as soon as it becomes effective.

The employer will make the following deductions from the worker's wages: FICA taxes and Federal Income tax as required by law; cash advances and repayment of loans; repayment of overpayment of wages to the worker; payment for articles which the worker has voluntarily purchased from the employer; long-distance telephone charges; recovery of any loss to the employer due to the worker's damage, beyond normal wear and tear, or loss of equipment or housing items where it is shown that the worker is responsible. No deduction not required by law will be made that brings the worker's hourly earnings below the higher of the federal statutory minimum wage or Virginia statutory minimum wage.

The employer will not pay the worker a bonus.

Payroll periods will be weekly. Workers will be provided with an earnings statement, which contains, at a minimum, the hours actually worked, total earnings piece rates/number of units (if piece rates are used), and all deductions. The statements shall comply with 20 CFR 655.102(b)(8).

Employer guarantees to offer employment for a minimum of $\frac{1}{4}$ of the work days of the total specified period during which the work contract and all extensions thereof are in effect, beginning with the first day after worker arrives at the place of employment and ending on the

expiration date specified in the work contract or extensions thereof. In Act of God termination, the guarantee period ends on the date of termination.

Employer will provide a worker referred through the Interstate Clearance System a full week's work for the week beginning with the anticipated date of need, unless employer has amended the date of need by notifying the local office no later than ten (10) days before the date of need. If the employer fails to notify the order-holding office, then employer shall pay an eligible worker referred through the Interstate Clearance System \$9.02 per hour for the first week, starting with the original anticipated date of need. If the worker fails to notify the order-holding office of his continuing interest in the job no sooner than nine (9) working days and no later than five (5) working days before the date of need, the worker will be disqualified from the above-mentioned assurance. The employer may require the worker to perform alternative work if the guarantee cited in this section invoked. Alternative work will be general farm labor and farm maintenance activities including, but not limited to, stacking tobacco racks, cleaning and maintaining migrant housing, pulling and chopping weeds, cutting ditch banks and hedge rows, cutting fire wood, mending fences, and the general repair upkeep and maintenance of the farm buildings, equipment and the farmstead in general.

The employer will provide worker's compensation insurance, at no cost to the worker, covering injury and disease arising out of, and in the course of, the worker's employment.

Workers may be offered work on federal holidays and on their Sabbath but will not be required to do so. Workers may volunteer to work additional hours when work is available.
